

SKU: BOOTH-34CIRCLE-CHANNEL

#### PRODUCT SPECIFICATIONS

The 3/4 Circle Channel Back Booth brings texture, order, and adaptability to any commercial dining environment. With vertical channel stitching and fully upholstered back panels, this booth creates a visually structured backdrop that blends beautifully with surrounding interior finishes. The radius layout invites guests to sit around all four sides while maintaining a comfortable, semi-private atmosphere. Every unit is modular, with configurable benches that adapt to your floor plan. Pair it with our CNC-machined custom tables, crafted to fit the booth's entry opening with exact precision. Matching tables ensure smoother access and design cohesion — making this booth-and-table pairing the smart choice for hospitality professionals.

Built to be sturdy, pieces can be transported with ease and used in high traffic areas. Upholstered banquette seating with deep soft cushioned padding for the most comfort and support. Frame is made from solid wood. Cushions are made of high density CAL 117 certified foam. Super high-performance commercial grade vinyl featuring 500,000 double rubs, California and Boston fire codes certifications. Common applications in hospitality, healthcare, contract, education, marine and automotive industries.
