PRODUCT SPECIFICATIONS

The U-Shape Booth brings the luxury charm to modern spaces. Featuring hand-set button tufting in a channel pattern, this model turns any seating area into a focal point — combining vintage appeal with commercial-grade durability.

Loved by steakhouses, fine dining restaurants, and VIP lounges, its rounded design gives guests a private, immersive experience while enhancing the room's elegance. Built with a hardwood frame and tailored in your choice of fabric or vinyl. Elegance in every curve — and craftsmanship in every stitch.

Built to be sturdy, pieces can be transported with ease and used in high traffic areas.

Upholstered banquette seating with deep soft cushioned padding for the most comfort and support

Frame is made from solid wood. Cushions are made of high density CAL 117 certified foam. Super high-performance commercial grade vinyl featuring 500,000 double rubs, California and Boston fire codes certifications. Common applications in hospitality, healthcare, contract, education, marine and automotive industries.
