

SKU: DUNCAN-BAR-HEIGHT

PRODUCT SPECIFICATIONS

Bar height booths foster a more engaging and dynamic dining experience. The elevated seating position encourages a casual, relaxed ambiance, making it easier for guests to interact and enjoy each other's company. This social atmosphere is particularly appealing for gatherings, celebrations, and lively dining experiences. Bar height booths are an excellent solution for maximizing space efficiency in restaurants. Their elevated design allows for better utilization of vertical space, often accommodating more seating without compromising comfort. This is especially beneficial in smaller or crowded dining areas where space is at a premium. Available in various configurations such as banquette, L-shape, or U-shape, bar height booths offer versatile seating arrangements to suit different restaurant layouts and customer needs.

This product is available in a variety of colors. We use only commercial grade vinyls and fabrics, with abrasive resistance of 500,000 double rubs. All upholstery is CAL 117 certified and designed specifically for applications such as restaurant, hospitality, contract, health care and education. Featuring a laminated finish, this table is thoroughly protected from heat, moisture and scratches. Footrest features a super-durable black starboard panel for feet support.
