

SKU: FORTUNA-HALF-CIRCLE

PRODUCT SPECIFICATIONS

The Fortuna Half-Circle Booth is created by pairing two curved chaise corner units into one cohesive modular seating layout. With its smooth radius and premium channel-tufted backrest, this design is ideal for restaurant banquettes, hospitality lounges, or family-friendly dining areas. Its inviting curve naturally frames a 36" round table, creating a semi-private, conversation-friendly space. This configuration is especially popular in upscale restaurants and hotel lobby seating where comfort, style, and social connection are key. Made in the USA with commercial-grade materials, this modular furniture piece blends form and function in a beautifully wrapped half-circle composition.

Built to be sturdy, pieces can be transported with ease and used in high traffic areas.

Upholstered banquette seating with deep soft cushioned padding for the most comfort and support

Frame is made from solid wood. Cushions are made of high density CAL 117 certified foam. Super high-performance commercial grade vinyl featuring 500,000 double rubs, California and Boston fire codes certifications. Common applications in hospitality, healthcare, contract, education, marine and automotive industries.
