

SKU: HORIZON-HALF-CIRCLE

PRODUCT SPECIFICATIONS

There are few seating styles as dramatic and inviting as the half-circle booth. And yet, most options on the market come with a price tag that makes designers hesitate. That's exactly why the Horizon Booth exists — to bring architectural form and hospitality-grade comfort together at a price point that defies expectations. Designed to impress, the Horizon Extended Half-Circle Booth comfortably seats up to six guests around a 50" x 68" table, making it the perfect choice for private dining, VIP experiences, or special group events. The sweeping U-shape layout offers both intimacy and openness, while the bold horizontal channel-tufted backrest adds an upscale, architectural touch. Ideal for restaurant banquettes, hotel lounges, and high-end social venues, this configuration blends style, comfort and efficiency.

Built to be sturdy, pieces can be transported with ease and used in high traffic areas.

Upholstered banquette seating with deep soft cushioned padding for the most comfort and support

Frame is made from solid wood. Cushions are made of high density CAL 117 certified foam. Super high-performance commercial grade vinyl featuring 500,000 double rubs, California and Boston fire codes certifications. Common applications in hospitality, healthcare, contract, education, marine and automotive industries.
