

SKU: MAPLE-BUTTON

PRODUCT SPECIFICATIONS

This Maple Restaurant booth delivers durability, comfort, and style all in one sleek package. Featuring dual black button-tufted panels, this model restaurant booth adds timeless sophistication to any restaurant setting. Built with a solid plywood frame and fully reinforced with bolts and screws, each seat is designed to support up to 400 lbs — making it ideal for high-traffic hospitality venues. Available as a 2- or 3-seater, the booth can be customized with optional laminate finishes to match your restaurant's interior. The clean lines and sharp contrast between the tufted upholstery and maple frame bring a polished, upscale look to dining spaces. For added functionality, you can include built-in charging stations — perfect for today's tech-connected guests. Whether you're designing a casual café or an upscale lounge, this USA-made booth offers unmatched quality and versatility.

This product is available in a variety of colors. We use only commercial grade vinyls and fabrics, with abrasive resistance of 500,000 double rubs. All upholstery is CAL 117 certified and designed specifically for applications such as restaurant, hospitality, contract, health care and education. Featuring a laminated finish, this table is thoroughly protected from heat, moisture and scratches. 4".
