

SKU: NORWAY-FLAT-BOOTH

PRODUCT SPECIFICATIONS

The Norway Flat Back Booth features a clean, straight backrest that delivers a traditional, no-nonsense aesthetic — ideal for diners, cafés, or casual restaurant settings. Its simple silhouette maximizes seating space and allows for tight wall placement, making it a go-to for efficiency without sacrificing style. The flat back offers a timeless look that blends easily into any interior concept. Built with 4” black legs and a weight capacity of 350 lbs. per seat, it’s made in the USA for lasting durability. This budget-friendly booth connects easily in a line, offering both practicality and understated charm.

Built to be sturdy, pieces can be transported with ease and used in high traffic areas.

Upholstered banquette seating with deep soft cushioned padding for the most comfort and support

Frame is made from solid wood. Cushions are made of high density CAL 117 certified foam. Super high-performance commercial grade vinyl featuring 500,000 double rubs, California and Boston fire codes certifications. Common applications in hospitality, healthcare, contract, education, marine and automotive industries.
