

SKU: STYLE-S-DIAMOND-HALF-CIRCLE

PRODUCT SPECIFICATIONS

The Style-S Diamond Tufted Half-Circle Booth makes a luxurious statement with its detailed upholstery and bold radius silhouette. The deep diamond tufting adds dimension and plush sophistication, while the curved half-circle design redefines the entire atmosphere of the room. Perfect for upscale venues, lounges, or boutique restaurants, this booth commands attention as a stunning central feature. Its circular seating invites intimacy and style, while eliminating hard table edges and awkward entry points. Built with 4" black legs and 350 lb. per seat weight capacity, it's handcrafted in the USA for clients who want show-stopping elegance and premium performance.

Upholstered banquette seating with deep soft cushioned padding for the most comfort and support
 Frame is made from solid wood. Cushions are made of high density CAL 117 certified foam. Super high-performance commercial grade vinyl featuring 500,000 double rubs, California and Boston fire codes certifications. Common applications in hospitality, healthcare, contract, education, marine and automotive industries.
 Premium walnut laminate wraps around the base to create a beautiful and luxurious look. Laminate features stain, scratch and impact resistance. Our laminates are available in many finishes to match any decor.
