

SKU: STYLE-S-FLAT-HALF-CIRCLE

PRODUCT SPECIFICATIONS

The Style-S Flat Back Half-Circle Booth offers a clean, uninterrupted silhouette paired with the eye-catching geometry of a radius design. This rounded shape creates a stunning architectural focal point, transforming dining areas with its soft curves and smart layout. Ideal for circular tables, the half-circle format eliminates sharp corners and creates an effortless, walk-in experience. The flat back delivers a minimalist, versatile aesthetic — perfect for restaurants seeking a modern yet understated vibe. Mounted on black legs and built to support 350 lbs. per seat, this USA-made booth combines space-saving efficiency with unforgettable style and comfort.

Upholstered banquette seating with deep soft cushioned padding for the most comfort and support. Frame is made from solid wood. Cushions are made of high density CAL 117 certified foam. Super high-performance commercial grade vinyl featuring 500,000 double rubs, California and Boston fire codes certifications. Common applications in hospitality, healthcare, contract, education, marine and automotive industries. Premium walnut laminate wraps around the base to create a beautiful and luxurious look. Laminate features stain, scratch and impact resistance. Our laminates are available in many finishes to match any decor.
